**B-32 Exploration Ltd.** announces the appointment of **Jason Smith** to its board of directors.

Smith brings over 25 years of successful international oil and gas experience running both onshore and offshore businesses as well as significant M&A and commercial negotiation experience.

He started his career in 1995 with **Mobil** and then **Exxon Mobil** in New Orleans, working the Gulf of Mexico in various operations engineering and reservoir engineering roles.

Smith then joined **Murphy Oil Corporation** in 2000 in corporate planning and spent the next 20 years in a variety of senior leadership roles overseeing operations in the United States, Canada, Malaysia and Ecuador.

In Canada, Smith was the president of **Murphy Oil Company Ltd.** (Murphy Canada). He repositioned the Canadian portfolio away from heavy oil and led the development of Murphy's highly successful Kaybob [Duvernay \(/play/duvernay/\)](#) and Tupper Montney assets.
